EDUCATION

Bachelor of Science, May 2021
The University of Alabama, Tuscaloosa, AL
Major: Computer Science, Mathematics
GPA: 3.3/4.0
University Honors College

COMPUTER SKILLS

Statistical/Production Software: Microsoft Excel, MATLAB
Business Tools: Microsoft Office, Google Drive, Git
Languages: C, C++, JAVA, Python, HTML5, CSS3, JavaScript
OS Proficiencies: Linux, Mac OS X, Windows

PROJECT WORK
Aug. 2019 – Present

Personal Portfolio Website
Built and deployed a personal website to display past and current projects. It is updated regularly, constantly adding details and improvements.
- Demonstrated a strong knowledge of HTML/CSS and proficiency with JavaScript.
- Utilized git and git versioning.
- Developed familiarity with Linux and Apache web server.
- Worked with Adobe Illustrator to design logos and edit images.

Jan. 2018 – May 2018

Chocoholics Anonymous
Designed and constructed a terminal interface and simple data storage as a class project along with four other students.
- Demonstrated a proficiency of UML design and JAVA.
- Utilized git and git versioning.
- Communicated ideas and resolved issues in a group setting.

Aug. 2019 – Dec. 2019

Data Structures Library
Implemented well-known data structures in C++. Data Structures included: Circular Dynamic Array, Left-Leaning Red Black Trees, and Binary Heaps.
- Demonstrated a proficiency in C++.
- Applied knowledge of common database structures and algorithms.

WORK EXPERIENCE
May 2019 – Aug. 2019

Nutrisolutions Summer Intern
GreenPoint Ag, Memphis, TN
- Collected nutritional data on crops such as corn, cotton, soybeans, rice, peanuts, and watermelon across northeastern Arkansas and the Missouri Bootheel.
- Worked alongside Ag Technology Specialists in the field using company-specific web applications such as the IncompassAg tool.
- Handled a company truck and credit card.
- Presented research conducted on nutritional data and possible sources of nutrient deficiencies or abundances at a GreenPoint Ag Tech Conference.
- Demonstrated proficiency in Microsoft Word, PowerPoint, and Excel.

INVOLVEMENT

Association for Computing Machinery
- Vice President, Jan. 2020 – Present
- Competitive Programming team member, August 2019 – Present
- Development Team Member, August 2019 – Present
- Member, Aug. 2017 – Present
